

Fast Freddie's Rod Shop

BODY AND PAINT TECH POSITION

Fast Freddie's Rod Shop has been growing steadily over the past 11 years and is seeking a body and paint technician to assist in the daily operations of the shop located in Eau Claire, Wisconsin.

Duties include, but are not limited to:

- Taking a car from bare metal to full show quality finish
- Staying on top of supplies and materials needed for each project
- Frequent communication with shop employees and the owner
- Constant focus on shop efficiency, productivity and cleanliness
- Problem solving and critical thinking skills are a must

Other requirements:

- Management experience is a bonus and will have an influence on pay
- Minimum of 5 years in the automotive arena, resto-mod experience is a plus
- Ability to multi-task and shift between projects on the fly in a fast-paced environment
- Positive, confident attitude, and a team player
- Clean driving record, reliable transportation

If you have experience in the body and paint industry and enjoy working on classic cars, this could be an incredible opportunity for you. Fast Freddie's has been focused on building top-notch, award-winning vehicles for over a decade and we have a strong reputation in the industry.

Make no mistake, this an important job with big responsibilities. There will be long hours and A LOT of hard work. If you think you have what it takes to get the job done, call me or shoot me an e-mail.

Fast Freddie's offers competitive pay, paid time off and a fun working environment. Pay will be based on experience.
